Day 02: 20 April 2013 Johannesburg - Victoria Falls B/D

This morning you will catch the free shuttle bus back to the airport in time for your flight BA6285 to Victoria Falls departing at 11h25 and landing at 13h05 (flight booked on own arrangements). On arrival you will be met and transferred to the Victoria Falls Hotel where you will spend the next 2 nights on a bed and breakfast basis.

This afternoon at 14h30 you will be taken on a guided tour of the Falls, before being collected at 18h50 from your hotel and taken to the Boma Restaurant for a fun-filled dinner complete with music and African drums and dancing.

Victoria Falls Hotel

The Victoria Falls Hotel, popularly known as "the grand old lady of the Falls", is situated in the Victoria Falls National Park, a world heritage site, and is a member of the exclusive Leading Hotels of the World group. The Edwardian-style 5 star hotel, built in 1904, was recently redecorated and refurbished and now combines the charm of the old with the convenience of the new. Set in lush tropical gardens with lily ponds, palm trees and semi-tropical shrubs, it provides the tranquillity and seclusion that many guests seek. The famous Victoria Falls are just a 10 minute walk away using the hotel's private pathway, and "the smoke that thunders" or "Mosi-O-Tunya" in the local dialect, is clearly audible and visible from this luxurious landmark.

Day 03: 21 April 2013 Victoria Falls B

At 09h30 this morning you will be collected from your hotel and taken for a 25 minute helicopter flight over the Falls and the Zambezi River.

You will have the rest of the day free to relax or arrange other activities, before being collected from your hotel at 16h00 and taken for a sunset cruise on the mighty Zambezi.

Victoria Falls - Zimbabwe

"Mosi Oa Tunya", or "The Smoke That Thunders", Victoria Falls are as

magnificent on the 10th visit as they are on the 1st, and their thundering roar makes everything else seem strangely quiet once you leave them behind. As the mighty Zambezi flows over a chasm of 1 mile wide, and 110 metres high, to violently crash on the rocks below, the resultant spray is sent tens of metres up into the air, before it lands back down in a continuous rainfall. The water then rushes through an opening of only 50 metres, as the Zambezi races further along, over churning rapids and through the deep Batoka Gorge. While the Falls are the major drawcard, there is a thriving tourist industry developed around them, with adventure activities of all forms being available. Tourism has been evident here ever since David Livingstone was the first European guided by the local tribes to this remarkable natural wonder.

Day 04: 22 April 2013 Victoria Falls - Okavango Delta B/D

This morning you will be transferred across the border into Botswana, where you will be taken to the Kasane Airport in time for your flight to the Moremi Game Reserve, where you will be met on arrival and transferred to Camp Moremi to spend the next 3 nights on a fully inclusive basis.

Camp Moremi

Located in the wildlife-rich Xakanaxa area of the Moremi Game Reserve, Camp Moremi peeks out from a lush green canopy, taking in the beauty of the Okavango Delta. Shaded from the African sun by a forest of ancient ebony trees, Camp Moremi is an elegant thatch and timber lodge consisting of an elevated main lounge, wildlife reference library, dining room and cocktail bar. Accommodating just 22 guests, the camp is made up of East African-style individual safari tents, each situated on a raised teak platform with private adjacent facilities and viewing deck.

Day 05 & 06: 23 & 24 April 2013 Okavango Delta B/L/D

These 2 full days will be spent on game drives inside Moremi, as well as boat trips out onto the Xakanaxa Lagoon.

Okavango Delta

The very word "Okavango" evokes a sense of adventure and exploration, and this is exactly what the Okavango Delta is about. Often called the Okavango Swamps, this intricate maze of waterways and sandy islands is an explorer's dream, and the destination should be on the wishlist of anyone looking for a unique travel experience. The geology of the Delta is fascinating, with its creation being attributed to tectonic plate action from thousands of years ago causing the Kavango River to flow from Angola into the Kalahari Desert as opposed to the Atlantic Ocean. So while the vegetation is lush, and the wildlife plentiful, the waterways are actually cutting through Kalahari Desert sand, and the entire delta is an enormous oasis.

Day 07: 25 April 2013 Okavango Delta - Selinda

From the Okavango Delta you will fly today to Selinda, where you will be met and driven to Selinda Camp to spend the next 4 nights on a fully inclusive basis.

Selinda Camp

Selinda Camp overlooks the Selinda Spillway, a unique seasonal waterway which links the Okavango Delta with the game-rich floodplains of the Linyanti Swamps. Selinda Camp's 9 spacious, luxury tents are erected under cool thatch canopies, with all units having panoramic views across

palm-studded floodplains. Each tent has en suite facilities, a stone bath being the highlight. The bathroom is uniquely "open air" with lots of natural light, yet is screened and virtually insect-proof. The tents are appointed with furniture and features that have been collected from around Africa. Four-poster mosquito nets and overhead fans are standard at Selinda Camp.

Day 08 - 10: 26 - 28 April 2013 Selinda B/L/D

These 3 days will be spent on day and night game drives, exploring the wild Selinda region.

Kwando, Linyanti and Selinda

Just when you thought that lodges could not get any more remote or wild in Botswana! In the far north of the country, bordering Namibia, you will find the Selinda Spillway, the Linyanti River and Marsh, and the Kwando River. The Spillway is the waterway which connects the Okavango Delta with the Kwando and Linyanti Rivers, which then flow on to become the Chobe River. The wilderness areas supported by these waters have been divided into private concessions, on which are scattered very few, very luxurious, lodges. These are wonderful, out of the way locations, with unspoilt scenery, and excellent wildlife.

Day 11: 29 April 2013 Day of Departure B

You will fly out of the Selinda to Maun this morning, landing in time to connect with your international departure flight SA8301 to Johannesburg, departing at 13h45 and arriving at 15h30. On arrival in Johannesburg you will continue on your own arrangements.
