Cost Excludes:

- **International flights and visas**
- **Travel insurance**
- **Tips, premium branded drinks, and souvenirs**

Detailed Itinerary

Day 01: 22 April 2013 Victoria Falls - Okavango Delta D

This morning you will be collected from the Victoria Falls Hotel and transferred across the border into Botswana (about a 2 hour drive), where you will be taken to the Kasane Airport in time for your flight to Pom Pom Camp, deep in the Okavango Delta. On arrival at your airstrip you will be met by a guide and taken to camp, to spend the next 4 nights on a fully inclusive basis.

Pom Pom Camp

The Camp is located on Pom Pom Island in a private concession situated in the heart of the Okavango Delta and on the head waters of the Xudum river system. The area lies on the western boundary of the Moremi Game Reserve and offers superb Okavango scenery and a true Okavango wilderness experience. The main building is attractively designed and constructed of thatch and canvas and comprises lounge, dining, bar and pool areas, as well as a gift shop and the boma area. The swimming pool is situated close to the main lodge and the bar, making a perfect location for you to enjoy a relaxing afternoon in the heat of the day. Pom Pom Camp offers a range of activities, including day and night game drives, walking safaris, and mekoro and boat excursions on the channels of the Delta.

Day 02 - 04: 23 - 25 April 2013 Okavango Delta B/L/D

These 3 full days will be spent exploring the Okavango Delta on the numerous activities offered by Pom Pom Camp. Included in your stay are day and night game drives, walking safaris, mokoro and motor boat excursions, and fishing.

Okavango Delta

The very word "Okavango" evokes a sense of adventure and exploration, and this is exactly what the Okavango Delta is about. Often called the Okavango Swamps, this intricate maze of waterways and sandy islands is an explorer's dream, and the destination should be on the wishlist of anyone looking for a unique travel experience. The geology of the Delta is fascinating, with its creation being attributed to tectonic plate action from thousands of years ago causing the Kavango River to flow from Angola into the Kalahari Desert as opposed to the Atlantic Ocean. So while the vegetation is lush, and the wildlife plentiful, the waterways are actually cutting through Kalahari Desert sand, and the entire delta is an enormous oasis.

Day 05: 26 April 2013 Okavango Delta - Kasane B

This morning you will be taken back to the airstrip in time for your flight back to Kasane. On arrival in Kasane you will be met by a representative from the Zambezi Queen and transferred to your luxurious boat on the Chobe River (Zambezi Queen and transfer organised on own arrangements).

End of Services

Kind regards
