Its convenient location next to O.R. Tambo International Airport makes it suitable for business and leisure travellers. Enjoy breakfast and light meals at the chic Oriana restaurant or a sociable cocktail at The Silver Moon bar.

Johannesburg

Although usually only used for quick stopovers by most travellers, Josburg is an exciting and vibrant city, with some excellent hotels, fantastic shopping facilities, loads of historic significance, and a flourishing sporting culture.

With the launch of the Gautrain in 2010, the Sandton district is now only 10 minutes from the airport, and this puts one in position to easily access most of the cities highlights.

The accommodation is exclusive, yet affordable – designed to reflect the cool calmness in the heat of the African bush, four-poster beds with classic draped mosquito nets grace every room. With the carbon footprint in mind, the chalets are equipped with lanterns for the evenings, and although electricity is at a minimum, there are 220V power points which are sustained by eco-friendly solar charged battery system. Overhead fans provide a welcome relief in summer and gas/solar ensure steamy hot showers in the cool of winter.
