Day 03: 30 Sep 2013 Victoria Falls B

You will have the day free today to enjoy some of the many activities available around the Falls. At **16h00** this afternoon you will be collected from your hotel and taken on a sunset cruise on the Zambezi River.

Victoria Falls

"Mosi Oa Tunya", or "The Smoke That Thunders", Victoria Falls are as magnificent on the 10th visit as they are on the 1st, and their thundering roar makes everything else seem strangely quiet once you leave them behind.

As the mighty Zambezi flows over a chasm of 1 mile wide, and 110 metres high, to violently crash on the rocks below, the resultant spray is sent tens of metres up into the air, before it lands back down in a continuous rainfall. The water then rushes through an opening of only 50 metres, as the Zambezi races further along, over churning rapids and through the deep Batoka Gorge.

Day 04: 01 Oct 2014

Victoria Falls – Chobe National Park

B/D

This morning you will be collected from your hotel (**time to be advised**) and transferred by road across the border into Botswana. In Botswana you will be taken to the Chobe River, where you will travel by boat to the **Ichobezi Safari Boat**. There is something incredibly relaxing about cruising on the Chobe River, along the banks of the Chobe National Park, watching the outstanding wildlife and birdlife from the luxury Ichobezi Safariboats. Each houseboat offers guests a personalised experience.

Day 05: 02 Oct 2013

Chobe National Park

B/L/D

Today will be spent game viewing from the Chobe River aboard the River Boat as well as on your private tender boat with your guide. Game drives into the park can be arranged at an extra cost, and walks on Impalila Island can also be organised.

Chobe National Park

Accessed easily via a 1.5 hour flight from Johannesburg, or a 1 hour drive from Victoria Falls, Chobe National Park is the most visited park on a Botswana safari itinerary.

With an enormous elephant population, as well as magnificent birdlife and a huge array of herbivores and aquatic animals, it is often hard to believe that Chobe National Park is for real.

The game viewing starts from the moment you land at Kasane Airport, or drive across the border from Zambia or Zimbabwe, with warthogs foraging in the streets, buffalo being habitual visitors to the town, and hippos lazing around in the river.

Day 06: 03 October

Chobe – Okavango Delta

B/L/D

This morning you will be taken back onto the Botswana shore where you will be met and driven to Kasane Airport in time for your light aircraft flight into the Okavango Delta. Shinde comprises eight twin-bedded classic safari tents, each with en-suite bathrooms, hot and cold running water and flush toilet. Accommodation is generally twin share on comfortable three quarter beds, however double accommodation is available on request.

Okavango Delta

B/L/D

These 2 days will be spent enjoying the numerous activities offered by Shinde. Included during your stay are day and night game drives, walking safaris and mokoro and boat excursions.

The very word "Okavango" evokes a sense of adventure and exploration, and this is exactly what the Okavango Delta is about. Often called the Okavango Swamps, this intricate maze of waterways and sandy islands is an explorer's dream, and the destination should be on the wish list of anyone looking for a unique travel experience.

The geology of the Delta is fascinating, with its creation being attributed to tectonic plate action from thousands of years ago causing the Kavango River to flow from Angola into the Kalahari Desert as opposed to the Atlantic Ocean.
