This camp is nestled beneath towering ebony and marula trees and accommodates up to 16 guests in 8 traditionally styled en suite tents with indoor/outdoor showers. ### Day 03 - 05: 16 - 18 Nov 2013 Linyanti B/L/D

Lagoon Camp offers a wide range of experiences and you will have 3 full days to enjoy the walking safaris, mokoro and boat excursions, fishing trips, and the day and night game drives which are included in your stay.

	<p><b><u>Linyanti</u></b></p> <p>In the far north of the country, bordering Namibia, you will find the Selinda Spillway, the Linyanti River and Marsh, and the Kwando River. The Spillway is the waterway which connects the Okavango Delta with the Kwando and Linyanti Rivers, which then flow on to become the Chobe River. The wilderness areas supported by these waters have been divided into private concessions, on which are scattered very few, very luxurious, lodges.</p>

### Day 06: 19 Nov 2013 Linyanti ~ Okavango Delta B/L/D

---	---

**Day 07 & 08: 20 & 21 Nov 2013**

**Okavango Delta**

**B/L/D**

You will have these 2 full days to enjoy Little Kwara Camp and the surrounding wilderness, with off road day and night game drives and mokoro excursions exploring the area as well as power boating and fishing.

**Okavango Delta**

The very word "Okavango" evokes a sense of adventure and exploration, and this is exactly what the Okavango Delta is about. Often called the Okavango Swamps, this intricate maze of waterways and sandy islands is an explorer's dream, and the destination should be on the wish list of anyone looking for a unique travel experience.

The geology of the Delta is fascinating, with its creation being attributed to tectonic plate action from thousands of years ago causing the Kavango River to flow from Angola into the Kalahari Desert as opposed to the Atlantic Ocean.

**Day 09: 22 Nov 2013**

**Okavango Delta ~ Victoria Falls**

**B**

You will fly out of the Delta to Kasane today, where you will be met and assisted on your road trip through the Zimbabwe border to **Victoria Falls**. You will spend **3 nights** at the **Victoria Falls Hotel** on a **bed and breakfast** basis.

**Victoria Falls Hotel**

The Victoria Falls Hotel, popularly known as "the grand old lady of the Falls", is situated in the Victoria Falls National Park, a world heritage site, and is a member of the exclusive Leading Hotels of the World group. The Edwardian-style five-star hotel, built in 1904, was recently redecorated and refurbished and now combines the charm of the old with the convenience of the new. Set in lush tropical gardens with lily ponds, palm trees and semi-tropical shrubs, it provides the tranquillity and seclusion that many guests seek.

**Day 10 & 11: 23 & 24 Nov 2013**

**Victoria Falls**

**B**

You will have the 2 full days to enjoy some of the numerous activities available around the Falls. Chris and Samuel will be picked up at the hotel at **06h40** on the morning of **23 November** to have the thrilling experience of white water rafting on the mighty Zambezi River. At **16h00** you will all be collected for a sunset cruise.

On **24 November** you will be collected at **10h00** from the hotel for a dramatic 13 minute helicopter flight over the Falls, and an entertaining African dinner experience complete with drums and dancing at the Boma Restaurant awaits you after being picked up at the hotel at **18h50**.

**Victoria Falls**

"Mosi Oa Tunya", or "The Smoke That Thunders", Victoria Falls are as magnificent on the 10th visit as they are on the 1st, and their thundering roar makes everything else seem strangely quiet once you leave them behind. As the mighty Zambezi flows over a chasm of 1,6km wide, and 110 metres high, to violently crash on the rocks below, the resultant spray is sent tens of metres up into the air, before it lands back down in a continuous rainfall. The water then rushes through an opening of only 50 metres, as the Zambezi races further along, over churning rapids and through the deep Batoka Gorge.

**Day 12: 25 Nov 2013**

**Victoria Falls~ Johannesburg**

**B**

This morning you will be transferred to **Victoria Falls Airport** to fly back to **Johannesburg** on **SA041** departing at **13h25**. This evening you will be taken out for dinner by African Ubuntu Safari's Joburg office (restaurant to be decided).

	<p><b><u>Rosebank Holiday Inn</u></b></p> <p>Holiday Inn Johannesburg-Rosebank is located in a modern and relaxed extensive shopping precinct. Relax on the sunny pool deck when you arrive from O.R. Tambo International Airport, 25km away, and then dine on continental dishes cooked to order in the open kitchen at the plush Velvet restaurant. Club sandwiches are served on the terrace by the outdoor pool, and you can sample South African wines in the stylish Velvet lounge</p>

	<p><b><u>Benguerra Lodge</u></b></p> <p>The Lodge is a small, intimate, and owner-run, concentrating on personalized service and guest satisfaction. All rooms have their own private deck with plunge pools and colourful hammocks inviting hours of relaxation. The guests staying in the Casitas have a Mozambican host who takes care of you from the moment you arrive at the lodge ensuring that all your needs are met and that you have an unforgettable personalized experience while staying on the Island.</p>
--	---

**Day 14 - 16: 27 Nov – 29 Nov 2013**

**Benguerra**

**B/L/D**

You will have the next 3 days to relax on the beautiful Indian Ocean beaches and to take part in the activities offered at the lodge including snorkelling and sailing and visits to the interior of the island.

<p><b><u>Benguerra</u></b></p> <p>Benguerra is the second largest island in the Bazaruto Archipelago, approximately 55 sq km, and lies 14km offshore. It is famous for its unspoiled white beaches, remarkable dive sites and excellent fishing (subject to a strict “catch &amp; release” policy). Inland, Benguerra Island comprises forest, savannah, freshwater lakes and wetland eco-systems that sustain a diverse population of fauna and flora. Fresh water crocodiles can be found in the three lakes, bearing testimony to the island’s mainland past. The island, which is home to approximately 140 bird species, was declared a National Park in 1971.</p>
