Stay connected and "Share our spirit of Africa"

WELCOME

African Ubuntu Safaris would like to welcome you to Ubuntu News. Let us keep you up to date with exciting information on Africa, hot deals, travel tips and great African recipes you can share with your family and friends.

Most of our readers may know the word "Ubuntu" means "I am because of you" and this is found in the spirit of the African people, who understand how important community, family, friendship, and sharing are.

We at African Ubuntu Safaris work hard to portray the behavior of Ubuntu in dealing with clients and suppliers alike. We aim to share our experience and expertise honestly with clients, with the sole purpose of ensuring each and every traveler is provided with the best possible holiday, fitting both their budgets and their dreams.

African Ubuntu Safaris was started through passion, optimism and excitement for Africa and would now like to share this with you.

We look forward to staying connected with you through Ubuntu News and "Sharing our Spirit of Africa" with you.

DESTINATION

Botswana Well known as one of the great safari destinations in Africa, Botswana offers some of the most beautiful, luxurious and active safari experiences in Africa.

A Botswanan safari can never be long enough and never experienced often enough. Although one of the flattest countries you will ever visit, Botswana is blessed with an incredible variety of landscapes and eco-systems.

It is the very flatness of Botswana which has created some of the world's most special wilderness areas and exploring the Kalahari, Okavango Delta and Makgadikgadi Salt Pans rewards you with memories for a lifetime.

Easily accessible from Johannesburg and simply combined with Victoria Falls, Botswana needs to be on your safari list if you are planning a visit to Southern Africa.

TASTES OF AFRICA

Malva Pudding

South African Winter warmer

is a sweet pudding of Cape Dutch origin, usually served hot with custard or ice cream. It is made with Apricot jam and has a spongy caramelised texture. It is often found on the dessert menu of South African restaurants.

Pudding

6 1/2 ounces sugar (3/4 cup, 200 ml, or 180 g)
 2 large eggs
 1 tablespoon apricot jam
 5 ounces all-purpose flour (150 g)
 1 teaspoon baking soda
 1/2 teaspoon salt
 1 tablespoon butter (a generous tablespoon)
 1 teaspoon vinegar
 1/3 cup milk

For the sauce

3/4 cup fresh cream (200 ml)
 3 1/2 ounces butter (100 g)
 3 -5 ounces sugar (90 - 150 g)
 1/3 cup hot water (90 ml)
 2 teaspoons vanilla essence

Directions:

- 1) Preheat oven to 180 Deg Celsius.
- 2) Grease an oven dish. (18 x 18 x 4 1/2 cm)
- 3) Beat the sugar and eggs until thick and lemon coloured, then add the jelly (jam) and mix through.
- 4) Melt the butter (don't boil) and add the butter and vinegar to the wet mixture.
- 5) Sieve, or simply mix together: the flour, soda and salt.
- 6) Add this mixture with the milk to the egg mixture in the processor or mixing bowl. Beat well.
- 7) Pour into an oven-proof dish and bake until pudding is brown and well-risen -- depending on your oven and oven dish this will be between 30 - 45 minutes.
- 8) In a pot, melt together the ingredients for the sauce, and stir well.
- 9) Pour it over the pudding as soon as it comes out of the oven.
- 10) Leave to stand awhile before serving. Serve warm. Serve with custard or vanilla ice cream.
